

Licensing

The licensing of the RX9004 is done in two places, and thus requires two license files (we will cover how to get these licenses in a separate page)

```
LicenseData-HERO-xxxxx  
LicenseData-HMS-xxxx
```

Each of the two files has to be uploaded to different parts of the RX9004, and are managed on different web pages of the RX9004.

LicenseData-HMS

The LicenseData-HMS file is uploaded on the page located at [Settings → Update](#).

To get to this page click the large [Settings](#) link at the top of the page, then select [update](#) on the smaller sub menu.

LicenseData-HERO

The LicenseData-HEROfile is uploaded on the page located at [Monitor → Admin](#).

To get to this page click the large [Monitor](#) link at the top of the page, then select [Admin](#) on the smaller sub menu.
